

# 601, 602, 603 SPECIAL EVENT PARKING & SHUTTLE ROUTES

- 601 Green Shuttle (the central, primary route) —
- 602 Red Shuttle (North) —
- 603 Blue Shuttle (South) —
- Shuttle Stops ●

Tulsa Transit will implement park-and-ride shuttles in the downtown area only during major events at the BOK Center. If it is determined that shuttles are necessary, Tulsa Transit will first implement the 601 Green Shuttle. For events that require more parking, Tulsa Transit will implement the 601 Green Shuttle and the 602 Red Shuttle. If there are several events going on downtown on the same night and the majority of downtown parking spaces need to be utilized, Tulsa Transit will implement all three shuttle routes: 601 Green, 602 Red and 603 Blue. Check the website at [www.tulsatransit.org](http://www.tulsatransit.org) for details on which shuttles, if any, will be operating.
