

Request for Proposals #19-1902
Tulsa Transit
CNG Fuel Station Maintenance Amendment# 1
September 10, 2018

This amendment provides additional information to firms responding to RFP #19-1902 CNG Fuel Station Maintenance issued by Tulsa Transit .

Purpose: This amendment answers questions posed by potential bidders.

- 1) Can you tell me what make model your compressors & dryer are?

The compressors are IMW 50-9250DA-250-4500-5AC. It is a 2 compressor package unit. The dryer is a PSB Industries model NG-SR-21-4-DP.

- 2) In regards to the insurance requirements listed on page 11-12 and the Minimum limits of Insurance on page 23-24, the Insurance Requirements on page 11 to 12 are the requirements that are expected for this procurement. The Minimum Limits of Insurance section on page 23 to 24 should be stricken.
