Boarding The Bus

1. Bus stops are marked with a bus stop sign or bus shelter. Arrive at your bus stop a few minutes early. Bus drivers can be up to 10 minutes late and still be considered "on time".
2. Drivers will only pick up and drop off at bus stop signs, shelters and benches. Step to the curb to alert the driver you want to ride.
3. Be sure to read the destination sign above the front window of the bus as it approaches. Many different routes could serve that same bus stop. Do not try to catch a bus if the destination sign reads "To Garage" or "Special Service".
4. Have exact fare ready. Fare boxes do not make change.
5. You may pay your fare with cash, or with a pass (or a transfer if riding your second bus.)

Text the bus stop # to **56520** and receive real-time information on buses arriving at this stop.
